Are you ready to take on the world? With the Datsun redi-GO, you certainly are. Beauty and brawn, style and substance, all in one neat package, the Urban Cross. Tall enough to take on the roughest roads, agile enough to take on maddening traffic and stylish enough to make heads turn; the redi-GO is everything you need and more.
When was the last time you had fun? Ran long and far. Zigged through lanes, zagged through alleys, taken on bad roads and traffic with equal ease. Now do all that and more without a care in the world.

**ENGINE**

i-SAT (Intelligent Spark Automated Technology) engine automatically adjusts spark timing in response to fuel quality and power requirement. This gives you a knocking-free smooth performance and an impressive fuel economy of 25.17 kmpl**.

**DAYTIME RUNNING LAMPS**

Sharp Daytime Running lamps make a cool impression. An added benefit that helps keep everyone safe.

**HIGH GROUND CLEARANCE**

The best in class ground clearance of 185mm# in the Datsun redi-GO helps you deal with low obstacles you may encounter on the streets.

The modern digital tachometer gives you a quick read on your speed while you drive. Along with the drive computer, you’ll have a lot of important information.

**SPORTY FEEL SEAT & FABRIC**

With styling inspired by sporty cross-over, the fabric inside of your Datsun redi-GO gives off an energetic look and feel, while providing comfort.

**FORCE ABSORBING BOLSTER SUPPORT**

The seat bolsters are designed to provide side-impact support. The lumbar support reduces pressure - it’s a healthy back and neck.

**SILVER ACCENTS**

The silver accents provide a touch of class and sophistication that elevate your experience every time you step in.

**SLEEK INSIDE**

Datsun redi-GO Seat

SLEEK INSIDE
If there’s one thing that strikes you about the bright interiors of the Datsun redi-GO, it’s the amount of thought that has gone into designing spaces within it. From the glove compartment to the easy fold down rear seats, everything is designed to maximise storage, space and convenience.

**CONVENIENCE AND SPACE**

**GLOVE COMPARTMENT**
Keep your belongings out of sight and within reach.

**CUP HOLDERS**
Two cup holders upfront provide a secure place to keep your drinks close by.

**12V OUTLET**
Need to charge on the go? The redi-GO comes with a standard 12V outlet that allows you to plug in a charger or other compatible electronic devices.

**BOOT SPACE**
The Datsun redi-GO provides a generous boot space of 222 litres. When you need to bring larger items, simply fold down the rear seats and you’ve got over double the available space. Perfect for luggage, cricket equipment, or other bulky items.

**SPEED SENSITIVE ELECTRIC POWER STEERING**
Take control of your drive. A responsive power steering system provides the capability you need, to easily turn at lower speeds, along with firm handling at higher speeds.

**SMALL TURNING RADIUS**
The compact design of the Datsun redi-GO provides the ultimate manoeuvrability. Make a full turn-around with just a 4.7 metre turning radius. Handy, for when you find yourself in a tight spot.
When it comes to performance, the Datsun redi-GO truly comes into its own. With its peppy high torque, high performance engine and impressive fuel efficiency, it is far ahead of others in its segment.
